In re Patent No. 6,009,763	:	OFFICE OF PETITIONS
Issue Date: January 4, 2000	:	
Application No. 08/809,856	:	NOTICE
Filed: June 16, 1997	:	
Attorney Docket No. VER-102XX	:	

This is a notice regarding the request for acceptance of a fee deficiency submission under 37 CFR 1.28, filed on July 15, 2011.

The Office no longer investigates or rejects original or reissue patent under 37 CFR 1.56. **1098 Off. Gaz. Pat. Office 502 (January 3, 1989)**. Therefore, nothing in this Notice is intended to imply that an investigation was done.

Your fee deficiency submission under 37 CFR 1.28 is hereby **DISMISSED**.

The request under 37 CFR 1.28 cannot be accepted at this time since the petition is not signed by the proper party. Petitioner's attention is directed to 37 CFR 1.33(b), which states that Amendments and other papers filed in the application, must be signed by:

- (1) A registered patent attorney or patent agent of record appointed in compliance with § 1.32(b);
- (2) A registered patent attorney or patent agent not of record who acts in a representative capacity under the provisions of § 1.34;
- (3) An assignee as provided for under § 3.71(b) of this chapter; or
- (4) All of the applicants (§ 1.41(b)) for patent, unless there is an assignee of the entire interest and such assignee has taken action in the application in accordance with § 3.71 of this chapter.

37 CFR 3.73(b) provides that: (1) when an assignee seeks to take action in a matter before the Office, the assignee must establish its ownership of the property to the satisfaction of the Commissioner; (2) ownership is established by submitting to the Office, in the Office file related to the matter in which action is sought to be taken, documentary evidence of a chain of title from the original owner to the assignee (e.g., copy of an executed assignment submitted for recording) or by specifying (e.g., reel and frame number) where such evidence is recorded in the Office; (3) the submission establishing ownership must be signed by a party authorized to act on behalf of the assignee; and (4) documents submitted to establish ownership may be required to be recorded as a condition to permitting the assignee to take action in a matter pending before the Office.

Accordingly, the request cannot be accepted until it is signed by all inventors, an attorney or agent registered to practice before the U.S. Patent and Trademark Office or the assignee of the entire interest under 37 CFR 3.73(b).
